

8.2 Inclusive Game Design - Apply What You've Learned

Let's put these principles into action! Think about a game you enjoy playing with your friends.

- 1. Choose a game you're familiar with (like soccer, tag, or board games)
- 2. Fill in this chart to make your game more inclusive:

Principle	How it appears (or doesn't) in your game	How you could add or improve it
Multiple Ways to Play		
Adjustable Challenge		
Teamwork Focus		
Adaptations
